Christchurch Tramping Club

Newsletter

The Club produces a regular newsletter. This can be distributed by post and/or downloaded from the members' page of the Club's website.

Email List

A list of names and contact details of Club members is distributed periodically to Club members. Email addresses are routinely added to the Club's moderated email list which is used to keep members informed of events and other items of interest. Members on the email list are advised when the current newsletter is available for download from the Club's website.

FMC Bulletin

The Club is affiliated to the FMC (Federated Mountain Clubs of New Zealand). Among the benefits of this are a quarterly bulletin distributed to members with our own newsletter. The FMC membership card (distributed annually) also entitles members to a discount on the DOC annual hut pass. Some material, such as the FMC Bulletin & membership card has to be distributed by post. It is therefore important that members give us an address to post things to and tell us when there are any changes in their contact details.

If you are a member of another tramping club and already receive the FMC bulletin, you may choose not to receive another from the CTC.

Please send me a copy of the FMC bulletin

Membership applications

Applications for membership are considered by the Club's Committee at its next monthly meeting. You will be advised shortly after that if your application has been successful.

Membership categories and subscription rates

Applications for membership must be accompanied by the appropriate subscription payment. The Club's membership year runs from 1 May to 30 April. **If your application for membership is made after 30 November then you may pay half of the annual subscription payment.**
