

## ADDENDUM TO FEBRUARY NEWSLETTER – OMITTED TRIP

### **Saturday 10 February: River Crossing Instruction**

**Leaders:** Adrian Busby 325 5001, Richard Wills 389 8671.

In the Waimakariri River close to Chch. Essential training for new trampers and a good refresher for trampers of some experience. Even though this is summer, bring warm clothing to wear while training. Bring a pack with a pack liner containing a complete change of warm clothing plus some extras to fill it up. This is for pack buoyancy while training and to wear afterward. Training will be followed by a barbecue (bring your own food and drink). This is fun as well as instructional! Come and do it!
