We also organise instructional courses and hold weekly social meetings. We have a club hut in Arthurs Pass and have gear available for hire to members. Membership rates per year are \$45 member, \$65 couple, \$25 junior or associate, with a \$5 discount for members who opt to obtain this newsletter electronically.

For more about how the club operates, see the last two pages.

News

New Members Welcome: We welcome two new members to the club this month; Olivia Fawcett and Adrian Radcliffe. Please accept the club's warm welcome to you both.

Hut Fees: Arthurs Pass Hut fees have increased, see hut section at rear of magazine

Calendar of trips and Social Events

Trips: Unless otherwise stated, club trips depart either from 'Z' Carlton Corner Service Station (formerly Shell) at 1 Papanui Road (next to Liquor Land and opposite Derby Street) or from Caltex Russley on the corner of Russley Road and Yaldhurst Rd. If the departure point is not specified in the trip schedule, you may assume it's 'Z' Carlton. Day trips usually depart at 8am on Saturday or Sunday. Weekend trips may leave on either Friday evening or Saturday morning.

New or prospective members intending to go on any trip must sign up at club night or contact the trip leader in advance.

CTC OVERDUE TRIPS: Members/family/partners or a nominated person concerned about a trip being overdue should firstly discuss this with a Club Officer when they feel that the trip is delayed. Refer to the list of Club Officers on the back of the newsletter and on the club website. Club Officers know where to obtain copies of the Trip Lists containing the names and addresses of the party members with their vehicle registration details etc. This will greatly assist Police Search and Rescue. The Club Officer can then contact the Police directly. Concerned people should keep trying different numbers until they actually contact a Club Officer (DO NOT LEAVE MESSAGES). We recommend that concerned people start with the Club Captain, then the Gear Custodian, then the Presidents, then the Trip Organisers, then people listed under Our Club Hut - if no contact can be made then the Police. Members (particularly Trip Leaders) please discuss this arrangement with your loved ones so they are aware of this procedure.

Social: We meet on Wednesdays 7:30 pm at the Canterbury Horticultural Centre (Watling Lounge), Hagley Park South, 57 Riccarton Avenue (entrance opposite the hospital). A variety of social functions are organised, the atmosphere is informal, and tea and biscuits served. If you can give a presentation or have ideas, please contact Silvia Horniakova 021-264-8430 or email silwika@yahoo.com. Please note that formalities start at 7:50 pm sharp, and if there is a guest speaker, he/she will start at 8:10 pm sharp.

| Weekend 31 August-1 September Departure point: Z (Shell) Papanui | | Leader: Brian Dougan |
| Lake Christabel, Rough Creek: This trip has a history - it has been cancelled at least twice due to bad weather and the last trip the participants endured some rather wet conditions. This time there will likely be snow - but the Lewis Pass tops are stunning so it will be worth it. The direction of travel will depend on weather with preference given to being on the tops in the best weather. The walk from the lake to Blue Grey Creek is easy beech forest tramping. The route via the poled route up and over the tops to Rough Creek is what makes this a Moderate trip. You will almost certainly be walking in snow. | Grade: Moderate (requires snowskills) | Closes: 22 Aug Map: BT22 BT23 Approx: |

| Transalpine trips in New Zealand's wilderness areas by Nina Dickerhof: Nina has extensively tramped and climbed throughout New Zealand's South Island. Tonight, Nina will be talking about five transalpine trips of 8-12 days duration she and her friends did in the Olivine, Hooker/Landsborough and Glaisnock Wilderness areas. Come along and hear about the crossing of high passes, climbing of shapely peaks, camping on remote ice plateaus and crossing of flooded rivers and get inspired for you own transalpine adventures into New Zealand's pristine and awe inspiring wilderness. | |

An Easy high-road start, we follow farm tracks to Pearce (737 m), then loop around over Pigeon Bay Peak (628 m) along ridgeline back to our starting point. Easy travel on tracks and grazed land. Kids ok, but contact leader first. No buggies. Time: 4 hours. | Grade: Easy Closes: 5 Sep Map: BX24 Approx: \$20 + \$10 | |

| Saturday 7 September Departure point: Z (Shell) Papanui | | Leader: Antony White 03-550-7166 phoenixantony@gmail.com |
| Mt Aicken: Mt Aicken (1858m) is a commanding peak directly east and above Arthurs Pass township. There is a good but steep track through the bush and then a lovely section up through alpine scrub and rocks. Well above the bush line there is a more exposed section between Pt 1863 m and Aicken where you need to be happy with a little scrambling. There are various options for the return, including a descent over Mt O'Malley or off the back of Aicken down to the Mingha. Ice axe and crampons and the ability to use them will be necessary. An early start is also likely - contact the leader. | Grade: Moderate+ Closes: 5 Sep Map: BV20 Approx: \$25 | |

| Weekend 7-8 September | | Leader: Bernhard Parawa 0272127498 |
| Departure point: Z (Shell) Papanui | | |
| <p>Camping with Mavis (Lake Mavis that is): Lake Mavis is an idyllic spot above goat pass. The Mingha Deception track has a weird name and is the route of the coast to coast - but don't worry - we will just be walking it and there will be no deception aye Bernhard? We will take the easy/mod track from Greyneys Shelter up the Mingha, over Dudley Knob and on to Goat Pass Hut. From Goat Pass Hut we will strike east up a spur to gain 500m quickly to our camp site . Bring your winter tent and winter sleeping bag. Expect snow, expect a frozen lake, expect AMAZING views of all the peaks around. Bring your Ice Axe and Crampons as CTC members have been known to head up the peaks behind the lake and even Mt Oates from here, besides you might need them to get to your camp site anyway. Oh yeah - bring some shoes to cross the Bealey at the start, or you will have wet boots the whole weekend!</p> | Grade: Moderate | Closes: 29 Aug |

| Sunday 8 September | | Leader: Alan Ross 384-6425 |
| Departure point: Z (Shell) Papanui | | |
| <p>Mt Torlesse: After a stroll up the pretty Kowai river to the huts we start up the long southwest spur of Torlesse to the summit (1961 m). There is about 1300 m total height gain, but the intention is to take our time at an easy/moderate pace. Ice and crampons will almost certainly be needed. This trip will provide an opportunity for trampers who have recently completed the snow-skills course to refine those skills and extend their experience.</p> | Grade: Moderate | Closes: 5 Sep |

| <p>Godzone Adventure Racing by John Henson: New Zealand is the birth place of Adventure racing and over the last two years it has returned to its home as Godzone. Find out what it is like to race for an average of 22hours a day for 5 and a half days thru the heart of the South Island, 530km with over 11000m of climbing. Learn how to go to sleep on 10sec while walking, kayaking, and even mountain biking but still have time to enjoy the stunning landscape, even if the sleep monsters visit and turn fence posts into forests. Club member John Henson raced in this year's event and will try to explain what drives people to challenge themselves in this way and why.</p> | |

| Lyttelton café culture: Starting from the car park at the top of Rapaki Road, we'll head up the Rapaki Track then east along the Crater Rim Walkway (or Summit Road) and down the Bridle Path for lunch in Lyttelton (bring money). Once sated we'll head back in the opposite direction with the possibility of variations, depending on which tracks have been opened. Despite this being rated easy and social, there will be about 500 m of hill work. Note the late departure time and different meeting point. If you will have trouble getting to Rapaki Road then contact the trip leader. | Grade: Easy/Social Closes: 12 Sep Map: BX24 Approx: \$0 + lunch | |
| Saturday 14 September Departure point: TBA for Friday night | | Leader: Richard Kimberley 326 6158 janeandrichard@xtra.co.nz |

We will be leaving on Friday evening, staying the night at the club hut in Arthurs Pass and starting early on Saturday morning. Depending on the weather forecast, the trip date could change to Sunday. | Grade: Hard/ Climbing Closes: 12 Sep Map: BV20 Approx: \$30 + Accom | |

| <p>Mt Clara: Mt Clara is a 1945 m peak in the St James Range behind Hanmer. It will be accessed via Fowler Pass and over Mt Pickett, with a possible return to the cars via the flanks of Mt Catley. The height gain will be of the order of 1000 m. The leader has guaranteed that weather will be fine, but there is likely to be plenty of snow so ice axes and crampons will be required. Note the early start time.</p> | | <p>Grade: Moderate (requires snow skills) Closes: 19 Sep Map: BT24 Approx: \$40</p> |
| Sunday 22 September | | Leader: Richard Lobb 351-2344 richard.lobb@canterbury.ac.nz |

| <p>Mt Lyndon: Mt Lyndon is the hill that overlooks Lake Lyndon just over Porters Pass. Starting from the south-west end of the lake we'll climb ~700 m via a low saddle to the summit at 1489 m. Depending on conditions we might then head west, towards Red Hill with a bail-out option from Pt 1494 m over Pt 1244 m. If there's a lot of snow about we might take ice-axes, in which case instructions on their use will be provided to newcomers. Ask the leader if you're uncertain.</p> | | <p>Grade: Easy/Mod Closes: 19 Sep Map: BW21 Approx: \$15</p> |

From there it's a ~650 m climb over about 3 km up a long ramp to the summit, where great views are to be had to all points of the compass. It has a wide range of native forest including some original remnant beech and newer plantings that are becoming established (despite a recent bush fire). We'll see and hear plenty of native birds too, especially bellbirds, wood pigeons, pipits, grey warblers, brown creepers and even, perhaps, tui. There are plenty of loop options of varying terrain and distance depending on weather and whim.</p> | Grade: Easy/Mod | Closes: 3 Oct |

| Sunday 13 October Departure point: Z (Shell) Papanui | | Leader: Bryce Williamson 351-6366 bryce.williamson@canterbury.ac.nz | |
| <p>Big Ben-Ben More crossover: The opening of the Dry Acheron track has permitted the possibility of this ~25 km trip. With sufficient participants we will split onto two parties: one will climb from the Lyndon Road to Ben More, then turn sharply south and west, over Big Ben and out to the Coleridge Road via Dry Acheron Stream. The second party will do the reverse. With fewer participants, we'll probably resort to the classic Ben More horseshoe circuit.</p> | | Grade: Moderate Closes: 10 Oct Map: BW20 BW21 Approx: \$20 | |
| Sunday 20 October Departure point: Z (Shell) Papanui | | Leader: Bruce James 332-3473 bruce.s.james@gmail.com | |
| <p>Broken Hill: Broken Hill overlooks the limestone escarpment lands of Flock and Prebble Hills, and the Cave Stream area now sometimes known as Narnialand due to the filming there of parts of the first of the Narnia movies. We'll park at the Craigieburn picnic area, cross the road, and make our way over Pts 1355 and 1408 m to the Broken Hill summit (1486 m) and then probably on to the un-named Pt 1578 m. From there we can do a nice loop back to the cars along Flock Hill Stream. If there is not much snow this trip will be at the easier end of moderate, with some 700-800 m height gain and about 17 km of tramping; talk to the leader closer to the day to check on conditions.</p> | | Grade: Moderate Closes: 17 Oct Map: BW21 Approx: \$20 | |
| Sunday 20 October Departure point: Z (Shell) Papanui | | Leader: Michael Newlove 355-8360 | |
| <p>Pigeon Bay Walkway: This walkway is (unsurprisingly) in Pigeon Bay. It follows the eastern coast of the bay about 7 km out the Wakaroa Point, from where the cliffs of Godley Head and Scarborough can be seen in the distance. Ideally, we will return via and alternative route, yet to be determined.</p> | | Grade: Easy/Mod Closes: 17 Oct Map: BX25 Approx: \$20 | |

| Saturday 26 October Departure point: Z (Shell) Papanui | | Leader: Richard Lobb 351-2344 richard.lobb@canterbury.ac.nz | |
| <p>Camp Saddle-Helicopter Hill: Camp Saddle (1480 m) lies on an easily accessed spur extending south-east from the spine of the Craigieburn Range and separating the Broken River and Craigieburn ski areas. The saddle is reached by a ~500 m climb from either of the ski field access roads. From the saddle we'll head along the spur to Pt 1525 m, then make a scree descent to Lyndon Saddle. Time permitting, we'll aim to make the short ~150 m to Helicopter Hill climb before heading back to the cars via the Craigieburn Valley Track or Lyndon Saddle Track. All up, about 700m-800 m height gain over about 13-14 km, depending on the exact route.</p> | | Grade: Easy/Mod Closes: 24 Oct Map: BW21 Approx: \$20 | |
| Multi day trip 8-9 November | | Leader: Adrian Busby 325-5001 | |
| <p>BASIC NAVIGATION: Venue Friday night at the Horticultural Halls (normal club meeting place) 7.00PM SHARP and Saturday Little River 9.00am. (you must attend the Friday night session) The course covers not only GPS use but the more essential aspects of navigation such as map reading and compass work, in the classroom Friday night and then out on the hills on Saturday. The course gives a good basic all round insight into navigation in the mountains. Names on the Trip list as the course always fills rapidly.</p> | | Grade: Training Closes: 31 Oct Map: Approx: None | |
| Saturday 14 December Departure point: Z (Shell) Papanui @ 12 NOON | | Leader: Adrian Busby 325-5001 | |
| <p>RIVER CROSSING COURSE: Undertaking a river crossing course is the closest thing we have in the CTC to a compulsory training course, in NZ everyone heading to the hills, even easy day tramps needs to have good river crossing skills and more importantly the skill to decide not to cross! With a large number of our new members from overseas where river crossing skills are almost entirely absent this course is a 'must do' for these members. Again get your name down on the list as this course fills fast and places are limited.</p> | | Grade: Training Closes: 12 Dec Map: Approx: None | |

Classifieds

Classified Ads: Are available to CTC members at no charge.

Club Crampons: The club has purchased 3 new sets of crampons this year and now the oldest three pairs of club crampons are for sale. They are in a reasonable shape and haven't seen much use recently except for the odd snow craft course. Their main problem is that they require tools to adjust them which is a rather unwanted feature for club crampons. They come at a price of \$40 a pair which is a bargain compared to what you need to spend an outdoor shop. I will bring the crampons and some tools to adjust them to the next few meetings. Bring your boots if you are interested.
